RE: Vicksburg Pilot Plant, Case No. 12-2220

Dear Mr. ~~Baker~~: *Paul*

The Utah State Preservation Office received your request for comment on the above-referenced case on November 30 2012.

Your letter dated November 28, 2012, referenced a report prepared by Sagebrush; however, the report was not included with your letter. We are unable to concur with your determinations and are unable to recommend effects. We would like to recommend setting up a meeting to discuss this project.

Please feel free to contact me at 801-245-7241 to set up a meeting.

Sincerely,
